**FRANK ROTHKAMM:
Amerika**

Tetralogy IV

Flux Records (Los Angeles), in conjunction with Bad Alchemy (Franconia), is delighted to present *Amerika* (FLX14), a **CD with 4to pamphlet** by German-American artist Frank Rothkamm (b.1965). This 4th and final chapter of Rothkamm's TETRALOGY opens on the 4th of July of 2010.

Amerika consists of a Compact Disc on which a Fuller Projection map is overlaid onto a printed-wood surface, which is housed in a shrink-wrapped vinyl record-style sleeve. The 4to pamphlet contains 4 pages of text - 3 of which are printed in 3 primary colors - and contains spirit communications by Klara and Karl May.

The 73 minute content of the CD is shaped by the moment-form concepts of mid-century modernists and presents reformations of **4 Songs from the American Songbook and an Overture**. The music was especially composed for a 1954 WurliTzer *Spinet* piano.
